PRINCIPAL'S MESSAGE

The coaches from St Patrick's Cricket Club completed a very successful cricket clinic with our children on Tuesday. A great deal of fun was had by all involved.

A big thank you to our school counsellor Sue Martinov, who completed a very informative talk/discussion with a group of our parents on Tuesday. This was followed by morning tea and further discussion. Several parents commented to me that they thoroughly enjoyed the session with Sue and took away many useful ideas to help their children. Sue is going to present another session later in the year on the "Bounce Back" program we use throughout the school and on dealing with bullying.

Our school Athletics Carnival is rapidly approaching... Mon 11th August. I would greatly appreciate it if I could get some of the parents to help set up the oval from 7.30am. The more we get the quicker we can organise things for the kids. Please come along and help if you can.

I have registered our school for the National Solar Schools Project. We are planning on adding some solar power to complement the rainwater tanks, water limiting devices in toilets/admin area, recycling program and electric light controls that are already in place. We will also be looking in the near future to upgrading the way we recycle items from the canteen and looking at other energy saving practices, thus adding to what is already a very environmentally conscious school.

Good luck to our senior Netball girls who made it through to the Netball finals. There are no Soccer finals this year, it is a first past the post system.

SCHOOL CROSSING

At the end of the school day the road in front of the school is extremely congested. We all wish to keep the children safe and to set a good example. Parents are asked to please use the pedestrian crossing. Crossing in front of or behind the bus or parked cars is very dangerous. Your children learn road safety from your example.

SSC RATE NOTICES

Enclosed with your rates notice is a voucher for free native plants. If you are not going to use them at your place, could you please forward the forms to the school office, so we can use the trees at the school? Thank you.

MEDIA CONSENT FORMS

The Office is still following up on forms that have not as yet been returned.

CONCERT TICKETS

As payment is received we are receipting the money and giving the child concerned the concert tickets. Please keep an eye out for these as it is difficult to find replacements.
