## **PRINCIPAL'S MESSAGE**

I must commence my few words this week with complete praise for the Bairnsdale Secondary College orchestra and their performance/workshops at our school on Tuesday. They were an absolute delight. When our students get to experience events you commit the school to like this, I always like to ask the children afterwards what they felt. Some of the children that played with the band were so excited and inspired. Every student I have spoken to in the playground described the experience as "heaps good!" or something similar. I have invited the school back & would like to think that the local music community, Bairnsdale College and Bundeena Public could form a shared musical bond that would develop into wonderful experiences for our children in the years to follow. I would love to get an invite to come and hear them again! Sincere thanks to Ms Davenport who coordinated the visit for us.

Lovely to see our Goanna Patch & Pre School children here last Friday. They all looked to be having a great time and getting accustomed to their new school.

Don't forget, Speech Day is rapidly approaching. If you would like to donate a book prize for the day, your support would be greatly appreciated.
